What can I give unto you my Lord, for you are of infinite worth?

The deepest parts of the universe are not strangers to your hand
The highest mountains and furthest of seas
The forgotten and untold lands

Bridge

There's a song that is sung by the saints that have come
And have gone from under the sun
Those that are present before your throne sing endlessly
The Glory of God!

Chorus

Praise and glory and wisdom and thanks
And honor and power and praise
Be to our God forever and ever and ever, amen!

Verse 3

What cry can the deepest of sorrow bring
That you do not well understand?
What laugh can the outburst of joy not sing
Of the providence brought by your hand?

He will wipe away your tears, Rejoice!

Rock Of Ages [C, 4/4]

[Joe Day Band] by Dustin Kensrue

V1, V2, C1, V3, C2, B, Inst, C3

Verse 1

Rock of ages, cleft for me
Let me hide myself in thee
Let the water and the blood
From thy wounded side which flowed
Be of sin the double cure
Save from wrath and make me pure

Verse 2

Not the labors of my hands
Can fulfill the laws commands
Should my passion never fade
And my efforts all be weighed
All for sin could not atone
You must save and you alone

Chorus

Rock of ages
No one takes your life
Yet you died that I might live
Costly grace you freely give
Rock of ages
You have paid the price
You were cleft to cover me
Let me hide myself in thee

Verse 3

Nothing in my hand I bring
Simply to the cross I cling
Naked come to thee for dress
Helpless look to thee for grace
Wretched to the fount I fly
Wash me Savior or I die
