The clouds be rolled back as a scroll;

Intro

Am Em F (2x)

Verse 1

In Christ alone my hope is found,
He is my light, my strength, my song
This cornerstone, this solid ground
Firm through the fiercest drought and storm.
What heights of love, what depths of peace,
When fears are stilled, when strivings cease!
My comforter, my all in all
Here in the love of Christ I stand.

Am Em F (2x)

Verse 2

In Christ alone, Who took on flesh
Fullness of God in helpless babe!
This gift of love and righteousness
Scorned by the ones He came to save.
Till on that cross as Jesus died
The wrath of God was satisfied
For every sin on Him was laid
Here in the death of Christ I live.

Verse 3

There in the ground His body lay
Light of the world by darkness slain
Then bursting forth in glorious day
Up from the grave He rose again!
And as He stands in victory
Sin's curse has lost its grip on me
For I am His and He is mine
Bought with the precious blood of Christ.
